Product Description

Manuka Honey Best gift 100% Natural UMF5+ Natural bee honey from New Zealand Pure Raw Honey

Manuka honey comes from our New Zealand bee farm, which is very natural and recognised by Maori as having unique properties. We ensure our bees are healthy and flourish in pristine flowering regions with plenty of nectar and pollen to sustain a strong hive and produce a bountiful crop of honey.

UMF Quality is more than just a number like MGO or NPA. The UMF mark signifies genuineness, quality.

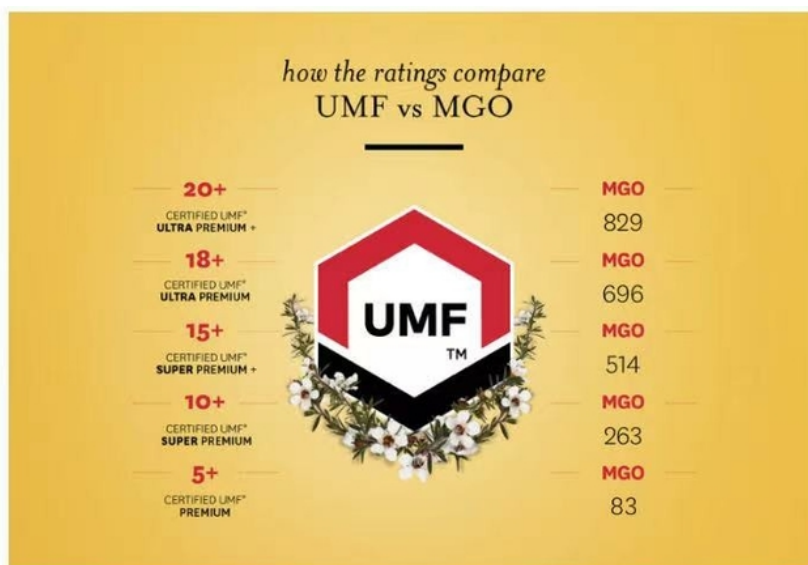

Manuka honey is a pure and original honey that has not been heated or filtered at all, retaining all its natural ingredients and unique taste.

Manuka honey, renowned for its unique properties and superior quality, is the purest and most nourishing form of raw honey available.
