Product Description

70% Bee Propolis Powder Extract Water Soluble Propolis Powder for Daily Use

Description

Propolis is a kind of aromatic substance that bees collect from plant spores or tree trunks, and then add the secretions of their palate glands and wax glands to mix them. It contains hundreds of ingredients such as flavonoids, terpenes, aromatic acids and aromatic acids esters, phenols, alcohols, aldehydes, ketones, amino acids, vitamins and minerals. The yellow-brown propolis powder can be obtained by adding auxiliary materials after the propolis is purified.

Smell:

Propolis has a special aromatic smell of resin. It tastes slightly bitter and astringent, and has a spicy and pungent taste. It is particularly sticky when chewed and gives off a frankincense-like fragrance when burned.

Health products: Propolis can be made into soft capsules, tablets or drops.

Cosmetic: the effective substances in propolis is widely applied to the toothpaste, soap and cosmetics and other fields.

Food: At present, the rise of health food industry, its effect is also well known propolis powder.

The Status of Bee Propolis For Beekeeping :

Strong natural bee propolis special smell,black color, block or paste status when get warmer.

Company Profile

Bee Star is the one-stop shop for beekeeping equipment and supplies. Our wide arrange of categories and product diversity, together with our competitive prices, allow us to satisfy our clients different demands, such as our clients in South America or Europe, and bring them to a very efficient experience. The heart of our company is located in the city of Chengdu, in China, where our experienced team sets out the best service to our customers; obtaining the best prices, performing regular quality checks on the products, and obtaining the necessary documents to facilitate the entrance of the goods to your country. We are proud of our way to do business and the good relationships that this allowed us to build with our customers all over the world. Do not hesitate to contact us, we are looking forward to assist you!
